

Allergen Advice

If you suffer from a food allergy or intolerance, please let your waiter/ waitress know upon placing your order, as well as suitability for vegetarians or vegans. Please note we have a full Gluten Free menu available.

Every care is taken to avoid any cross contamination when processing a specific allergen free order. We do however work in a kitchen that processes allergenic ingredients and does not have a specific allergen free zone or separate dedicated fryers.

Allergen data is held on each of our dish ingredients, so please ask your waiter/waitress in the restaurant should you require any more details.

Meal accompaniments are listed separately in this allergen information. Please check these products separately within the 'sides' section e.g. chunky chips or side salad.

It is your duty to report to your server any food allergies or intolerance, if you have any concerns please ask the waiter/waitress when placing your order.

Due to the presence of some ingredients used in our kitchen, we can never guarantee that a dish is completely free from any allergens.

Please note that we at Marcello's aim to ensure that meals on the gluten-free menu are gluten-free. However we cannot guarantee that any dishes on our main menu are gluten-free (Gluten-free is defined as foods that contain gluten at a level of no more than 20 parts per million (ppm)).

Tree Nuts include: almonds, hazelnuts, walnuts, cashews, pecans, Brazils, pistachios, macadamia nuts or Queensland nuts.
